

USA Fundraiser for Bulgaria

The USA fundraiser for Bulgaria is a very special luggage tag. Help us celebrate Cross and Twist around the world. All proceeds from this sale will go to OIDFA to help defray expenses for the OIDFA Congress in Bulgaria this year.

These tags are colorful to help you identify your luggage at the airport where there are many suitcases all the same color. Write information on the reverse side of the tags to help you identify your convention, lace and project bags.

The price of the bag tags is \$3 each or \$5 for two *TO BE PICKED UP AT THE IOLI CONVENTION IN AUGUST* by you or your trusted friend. The OIDFA table is in the Display Room. If you aren't attending the convention, is someone else from your guild attending? Be sure to order tags for yourself and gifts for friends.

Luggage tags ordered for mailing *AFTER THE IOLI CONVENTION* will have an ADDITIONAL COST for mailing paid by the purchaser which will be at least \$5. Consider a group purchase with friends in your guild to share the cost of mailing. Payment can be in cash or by check. Thank you for supporting the OIDFA Congress in Bulgaria.
