

2027 OIDFA Congress in Lanzarote, Canary Island, Spain

US National Stand Theme: Fish

Lanzarote is one of the Canary Islands, Spain. It is well known for its volcanoes and beautiful ocean views.

Our chosen 2027 US National Stand's theme is "Fish" from larger ones to smaller ones. Several patterns are available with the designer's permission. Of course, you can create your own. Any lace technique can be used. Size is not limited, but it should be smaller than the display stand, which measures 1m (width) x 2m (height).

Wouldn't it be fun to have a school of fish? A little fish pattern can be found free at:

The fish will be on display during Congress - April 23 - 25, 2027 in Lanzarote and then at IOLI Convention in 2028. Lace will be returned after IOLI Convention.

**Please submit your lace by March 1st, 2027 to
Sumiko Tray at 22 Rimmon Rd., Woodbridge, CT 06525.**

Please send a photo of your lace along with the submission form to ensure it is returned to you. If you have any questions, please contact Sumi at stray.OIDFA@gmail.com.
